Fix It Team!

My Teamwork Worksheet (Grades K-2)

My Name: _____ **Date:** _____

The Problem

The computers won't turn on! We need our Fix It Team!

My Job on the Team

I am the: [ ] Detective [ ] Thinker [ ] Helper

What Happened?

What did we notice? (Draw or write)

```
+---------------------------------------+
|                                       |
|                                       |
|                                       |
|                                       |
+---------------------------------------+
```

What did the Robot Helper find?

_____

How We Fixed It

What did the team decide to do?

_____

Did it work? [ ] Yes [ ] No

What I Learned

Working together helped because:

_____

The Robot Helper was good at:

_____

People had to decide:

_____

Draw Our Fix It Team!

```
+----------------------------------------+
|                                        |
|                                        |
|                                        |
|                                        |
|                                        |
|                                        |
+----------------------------------------+
```
